List of Products of Woodworking Machinery and Tools

846510 Machines for working wood, cork, bone, hard rubber, hard plastics or similar hard materials, which can carry out different types of machining operations without tool change between such operations

846520 Machining centres for working wood, cork, bone, hard rubber, hard plastics or similar hard materials, which can carry out different types of machining operations by automatic tool change from a magazine or the like in conformity with a machining programme

846591 Sawing machines for working wood, cork, bone, hard rubber, hard plastics or similar hard materials **846592** Planing, milling or moulding -by cutting- machines, for working wood, cork, bone, hard rubber, hard plastics or similar hard materials

846593 Grinding, sanding or polishing machines for working wood, cork, bone, hard rubber, hard plastics or similar hard materials

846594 Bending or assembling machines for working wood, cork, bone, hard rubber, hard plastics or similar hard materials **846595** Drilling or mortising machines for working wood, cork, bone, hard rubber, hard plastics or similar hard materials **846596** Splitting, slicing or paring machines, for working wood

846599 Machine tools for working wood, cork, bone, hard rubber, hard plastics or similar hard materials **846692** Parts and accessories for machine tools for working wood, cork, bone, hard rubber, hard plastics or similar hard materials, n.e.s.

847930 Presses for the manufacture of particle board or fibre building board of wood or other ligneous materials and other machinery for treating wood or cork
